

EXPANDING OPERATIONS INTO THE TEXAS MARKET

BUILDER • DEVELOPER • GENERAL CONTRACTOR PARTNERSHIPS

QUALITY • RELIABILITY • PROFESSIONALISM

My name is Matthew Shelton with **Shelton Enterprise Construction**. I'm reaching out to introduce our company as we expand our concrete and foundation operations from Mississippi into the Texas construction market.

Shelton enterprise construction brings **32 years of construction experience** and specializes in concrete and foundation services for residential and commercial construction. We are currently seeking to establish long-term relationships with builders, developers and general contractors throughout DFW area.

OUR SERVICES

- New construction foundations

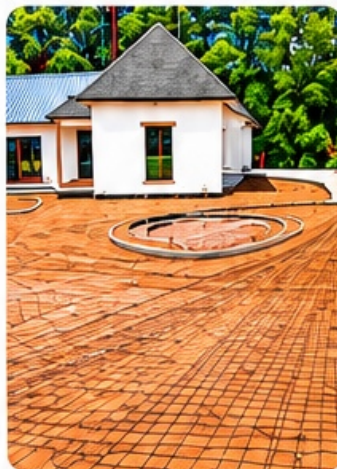

SITE & FLATWORK

- Driveways
- Sidewalks
- Patios
- Porches
- Concrete pads
- Garage and shop slabs
- Walkways
- Site concrete
- General concrete flatwork

PROJECT SUPPORT

- Plan and specification review
- Construction scheduling
- Project estimating and bidding
- Site coordination

WHY SHELTON CONSTRUCTION?

32 YEARS OF CONSTRUCTION EXPERIENCE

Established knowledge and field experience make.

RELIABLE

We understand that foundation and concrete schedules affect every trade that follows.

QUALITY-FOCUSED

We take pride in delivering professional workmanship and paying attention to project specifications.

COMPETITIVE

We provide project-specific pricing designed to help builders maintain control of construction costs.

RESPONSIVE

Clear communication with builders, project managers, superintendents, estimators and purchasing teams.

LONG-TERM PARTNERSHIPS

We are seeking recurring relationships—not simply one-time projects.

WHO WE SERVE

RESIDENTIAL BUILDERS

Custom Homes • Production Homes • Townhomes
Multi-family • Residential Developments

COMMERCIAL

Developers • General Contractors • Commercial Builders
Construction Managers • Property Developers
